## LOCAL MATTERS

For this section fair, warmer weather, southerly winds.

**DEMOCRATIC COMMITTEE MEETING.**—An adjourned meeting of the city democratic committee was held last night, Chairman Harry Smoot presiding and Mr. L. Marbury secretary.

The ticket bearing the names of such candidates for municipal offices as would submit their claims to the primary to be held on Thursday was prepared. For the salaried offices it is the same as that published in the GAZETTE on Thursday last. The revised Council ticket is as follows:

First Ward—Board of Aldermen, N. P. T. Burke and N. Lindsey; Council, P. Aitchison, Hubert Snowden, W. S. Moore J. T. Herbert and Clarence Moore.

Second Ward—Alderman, Charles Goodrich; Council, L. Marbury, Theo. Ballenger, H. W. D. George W. Fisher, T. Marshall Jones, and Fred Kaus.

Third Ward—Aldermen, Herbert Bryant and S. H. Lunt; Council, J. H. Strider, G. H. Hinkins, French Smoot, J. T. Harrison, J. T. Burke, J. R. Caton, and James Roche.

Fourth Ward—Alderman, J. S. B. Thompson; Council, Harry Smoot, J. T. Sweeney, James McCuen and L. E. Uhler.

A list of names of known colored democrats was submitted and copies were directed to be furnished the judges on the day of election.

It was decided that the members of the committee should be allowed to witness the counting of the votes by the judges and clerks on the right of the primary and that no others should be allowed to enter the voting place while the counting is going on.

**YOUNG MEN'S CHRISTIAN ASSOCIATION.**—The 30th anniversary of the Young Men's Christian Association was held in the M. E. Church South last evening. Rev. W. J. Young presided. Rev. Messrs. I. M. Metcalf, J. I. Vance, L. R. Dool, F. S. Hamlin, D. D. H. Suter, H. T. Sharp, J. C. Stewart, and Messrs. H. O. Williams and A. G. Uhler occupied the platform. Reports were read from the president and general secretary. The former showed the extent of the work of the past year and the proposed wider range during the coming year, for which \$2,000 is needed to defray the expenses. Mention was made of the Woman's Auxiliary and the medical reports. Rev. T. S. Hamlin, D. D., pastor of the Church of the Covenant, Washington, delivered the address, which was full of pleasing and striking illustrations appropriate to his subject and it was listened to with profound attention throughout. He said the one aim of the Association was the welfare of young men. He then spoke of the importance of physical training. The more gymnastics, we can have the more methods we can have for making the body adapted to its various uses, the better off we are. He urged the people of the community to give hearty support. He hoped they would soon have a new building and that it would be free of debt. The State Secretary, H. O. Williams, followed and impressed the audience with the importance of a building suited to our work. But he spoke principally about the triumph of the Association—the salvation of young men. His earnest words will not be forgotten. Rev. H. Suter pronounced the benediction.

**PERSONAL.**—It is regretted by his many friends that Mr. E. S. Leadbeater declines to be a candidate for re-election as Alderman from the Fourth ward, as he has rendered the city valuable services. Such men are now needed in her councils.

Mr. Dannel, the Washington correspondent of the New York Times, was in the city to-day.

Mrs. C. H. Hentis, of Philadelphia, is visiting Mrs. F. A. Reed.

Rev. and Mrs. I. M. Mercer left for Richmond this morning for a few days visit.

Rev. Charles Muningerode, D. D., preached his farewell sermon at St. Paul's Protestant Episcopal church in Richmond Sunday morning. It is Dr. Muningerode's intention to move his family to this city about the 1st of May, but he will only make temporary arrangements here, as he is not fully decided whether he will be satisfied to locate in this city.

Rev. Dr. J. J. Bullock was in the city to-day.

**Phonograph.** No. 5 A. F. and A. M., of Washington, last night had a fitting end to their two days' celebration in the shape of a banquet. Among those present was Capt. K. Kemper, master of Washington Lodge, of locality.

**Ferocious Dog.**—On Shuter's Hill yesterday evening, while a large crowd of persons, young and old, white and colored, were engaged in enjoying their Easter games, a large white dog, which had been noticed running about the premises in an apparently harmless manner during the evening, suddenly began to act strangely and look at the mouth. With no provocation the dog suddenly rushed at a lady and snatched at her, when the latter became paralyzed with fright and fell fainting to the ground. The dog, without biting the prostrate lady, then attacked her little boy, named Willie Lawson, from Washington, and bit him severely about the legs and side, knocking the terrified child down repeatedly and biting him as he would arise. In the meantime a crowd was attracted which attacked and drove off the dog, which was finally dispatched by Officer Davis, who shot the animal six times before life was extinct. The little fellow was brought to this city in a carriage and sent to his home in Washington.

**Hops.**—The Musical Association last night gave their lady friends a delightful hop at their rooms in Sarepta Hall building. Dancing was kept up till a late hour and all spent a most enjoyable evening. At midnight a sumptuous repast was served. Among the many present were a number of ladies and gentlemen from Washington, Baltimore and elsewhere.

A number of the younger ladies of the city were given a very pleasant hop at the residence of Mrs. Gordon, on Queen street, last night. The young ladies appeared in full evening dress and entered into the pleasures of the dance with as much, if not more, zest than their older sisters.

**COMBINATION TICKET.**—A slimly attended meeting of some of the republican and independent "leaders" was held at the Bradstreet House last night, when Mr. H. M. Foltz was called to the chair and Mr. Joseph Crupper acted as secretary. It was decided by those present to put a full ticket in the field at the approaching municipal election, and a committee of four was appointed to interview suitable persons and ascertain if they will allow their names to be used. Committees were also appointed to get up a circular ticket in each of the wards. The committee will report at a meeting to be held soon.

**Fish.**—Since yesterday about 200,000 herring and 2,000 shad have arrived at Fish Point. Herring sold at from \$3.50 to \$4 per thousand, and shad at from \$10 to \$15 per hundred.

**POLICE REPORT.**—Last night was cool and clear with two prisoners and five lodged at the station house.

The Mayor this morning disposed of the following cases:

Craven Peyton, white, and Wm. Smith, colored, arrested by officers Bonitz and McQueen charged with fighting on the street. The case was continued till to-morrow.

**A BIG FISH HAUL.**—The haul of fishes at Richland shore on Sunday was a great success, and hundreds of visitors were there to witness it. Mr. Webb Waller, one of the oldest fishermen on the river, made two hauls, netting 174,000 herring, besides innumerable eels, catfish, sun perch and shad. At the 7 o'clock haul 75,000 herring and 400 shad were taken. The net and rope used make what is called a five-mile seine.

**FOR THE PENITENTIARY.**—Deputy Sergeant B. B. Smith, accompanied by two guards, left here to-day for Richmond, having in charge Lewis Magruder, Walter E. Day, Dan Girtz, and Jas. Clark, colored, and Wm. Conkling, who were convicted in the Corporation Court two weeks since and sentenced to serve terms in the penitentiary for various offences named at the time.

**STRUCK BY LIGHTNING.**—The barn of Mr. R. A. Beverley, near Marshall, Fauquier county, was struck by lightning on Saturday night and damaged and several horses were burnt. The barn did not take fire, owing, it is supposed, to the heavy fall of rain. It was insured in a company for which Messrs. Wise & Company are the agents.

**VESTRYMEN ELECTED.**—The following gentlemen were last night elected vestrymen of Grace Church for the ensuing year: W. J. Duckrell, A. W. Deahl, H. B. Ramey, W. W. Parker, D. E. Webster, J. H. Cooke, W. H. McCuen, J. T. Cox, P. B. Peyton and W. H. Bacon.

An attempt was made last night to enter the house of Mr. Geo. Hopkins, on King street near Alfred. The transom over the back door was taken out but it fell inside and made such a noise that the thieves were scared off.

A lady of this city, who had lost her pet dog, yesterday invoked the assistance of a fortune teller in the search for the missing canine. The seer, after naming his price (\$3) gave the lady a small phial filled with a black fluid with directions for using it, and with several mysterious flourishes of his hands, bade her depart, telling her that her dog would be home that night between 12 and 1 o'clock. The lady this morning reported that just before 1 o'clock last night her dog returned and scratched at the door for admittance, which he immediately obtained, and that every dog in the neighborhood at that hour set up a howl.
